

Job Profile

Job Title:	Grounds Maintenance Technician
Department:	Facilities
Reports to:	Director of Facilities
Date:	3/25/19

General Summary

What is the primary purpose of this position?

The Grounds Maintenance Technician at St. Francis Catholic High School is responsible for sports fields and in-fields maintenance and striping, landscape maintenance and irrigation, the cleanliness of the campus grounds, and exterior trash collection. This position is also responsible for periodic and routine servicing of all groundskeeping equipment and vehicles.

Essential Responsibilities

List all major job functions performed on a regular basis.

All areas of responsibility must be operated consistent with the Catholic mission of the school.

- Sports turf management practices include: reel and rotary mower operation, adjustment, and maintenance; decorative mowing, core aeration, top dressing, over-seeding with slit seeder or bulk spreader, and lining and striping fields for softball and soccer.
- Irrigation technology includes: water conservation inspections; installation, adjustment, and repair of sprinkler and drip systems; programming and maintenance of irrigation controllers.
- Landscape maintenance includes: mowing, edging, blowing, seeding, planting, fertilizing, weeding, mulching, pruning, and trimming of trees and shrubs.
- Additional practices include: maintaining the cleanliness, safety, and attractiveness of the campus grounds, including emptying exterior trash bins.
- Other tasks may include general maintenance, custodial, or events as needed.

Job Specifications/Requirements

List skills/experience required for adequate performance in this position. List preferred experience and skills, if any.

Education:

- High School graduate or equivalent required.
- Irrigation Technician certificate desirable.
- Sport Turf Maintenance certificate desirable.
- Pest Applicator's License desired but not required.

Job experience:

Five years' experience in landscape installation and maintenance required; two years' experience in sports field maintenance desirable.

Technical/Functional skills:
