Who We Are

Parents Education Network (PEN) is a coalition of parents collaborating with educators, students and the community to empower and bring academic and life success to students with learning and attention differences. The Sacramento group is an Affiliate of PEN San Francisco –the parent organization.

Student Advocates for Education (SAFE) is a unique group of teens who are passionate about learning differently, pursuing their fullest potential and spreading awareness of their capacity for academic and life success.

PEN and SAFE will meet on the 3rd Tuesday of each month. SAFE meetings are open to students with learning challenges ages 13-19. PEN adult members meet monthly at the same time and this includes parents of children (any age), educators, and professionals. Meeting focus varies meeting to meeting but includes planning, support, and resources.
