

ACT® SAT® & PSAT® - Experience it Now

with our friends at Revolution Prep

The ACT & SAT, which cover the entirety of your child’s high school learning, can seem daunting and overwhelming. Revolution Prep is ready to support students and their families in preparing for their official college admissions exams by offering ACT and SAT practice tests.

We’ve carefully modeled our testing experiences after the official tests, so that students feel confident in navigating both the intricacies of the digital format of the SAT and the paper format of the ACT—the closest experience to the real thing that you can get!

If your child is prepared, they’ll feel less overwhelmed. **The best way to prepare is to practice.** Proctored practice tests are an opportunity for your child to work on pacing and endurance in a setting that best simulates the test day environment. Plus, you can see your child’s score instantly in the Revolution Prep mobile app or student dashboard!

Premium learning outcomes with less stress.

We take a revolutionary approach to getting results. Our unique methodology paired with world-class educators helps your student rapidly achieve their goals today and gain the skills to succeed tomorrow. All on your schedule.
